I am unable to commit a gift of Talent right now, but will offer a gift of prayer for St. Louise and the success of our Stewardship program.

All information gathered is only to be used for the purposes of communicating your gift of Talent to your selected ministries and to update parish contact records.

For Reflection

“Christ has no body now on earth but yours; no hands but yours; no feet but yours. Yours are the eyes through which He is to go about doing good, yours are the hands with which He is to bless people now....” – St. Teresa of Avila

As God’s faithful servants, we are called to *Stewardship as a way of life* by:

- Prayerfully discerning how God has uniquely gifted each one of us.
- Reflecting on what level of priority God and the Church play in our lives.
- Deciding how we plan to share our gifts with God and his Church.
- Making an intentional, planned and proportionate gift in the various areas of time, talent and treasure.

How do we respond to the call? We must ask ourselves: Do we wish to be disciples of Jesus Christ and Christian stewards in our world and our Church? Jesus calls each one of us individually by name. He has provided each of us with unique gifts. God intends for each of us to play a unique role in carrying out His divine plan. The challenge, then, is to understand our role — our vocation — and respond generously to Jesus’ call by putting our gifts to work.

You can read about the ministry opportunities listed in this pamphlet on the parish website, www.stlouis.org.
